Share an area fairly

OW-G2-083 | Five questions

Success criteria

I can divide a shape into equal parts and name each share.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Draw a rectangle and divide it into 2 equal parts. Name one share.

2. Draw a rectangle and divide it into 3 equal parts. Name one share.

3. Draw a rectangle and divide it into 4 equal parts. Name one share.

4. Draw a rectangle and divide it into 3 equal parts. Name one share.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
