

WORKSHEET OUTPOST | Grade 2 Math

Forward jumps to find the distance

OW-G2-092 | Five questions

Success criteria
I can use tens and ones to add or subtract within 100.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 46 - 15 = ___. Count up from the smaller number.

2. 66 - 26 = ___. Count up from the smaller number.

3. 76 - 27 = ___. Count up from the smaller number.

4. 80 - 19 = ___. Count up from the smaller number.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
