

WORKSHEET OUTPOST | Grade 1 Math

Find another shape combination

Success criteria
I can put shapes together and name the shape I made.

OW-G1-151 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Draw two equal squares touching along a whole side. Name the larger shape.

2. Draw a square. Divide it into two triangles with one line.

3. Draw a rectangle built from 3 equal squares in a row. Trace its outer edge.

4. Draw a larger square built from 4 equal small squares.

5. Draw a shape like one on this page. Name it and describe one thing you notice about it.

You can point, speak, draw, or write. Adults can note any help they give.
