

WORKSHEET OUTPOST | Grade 2 Math

Two-digit difference practice

OW-G2-103 | Five questions

Success criteria
I can use tens and ones to add or subtract within 100.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 47 - 18 = ___. Choose a strategy and check with addition.

2. 67 - 29 = ___. Choose a strategy and check with addition.

3. 77 - 30 = ___. Choose a strategy and check with addition.

4. 81 - 22 = ___. Choose a strategy and check with addition.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
