

WORKSHEET OUTPOST | Grade 2 Math

Explore a cube

OW-G2-081 | Five questions

Success criteria

I can identify a shape by its sides and corners.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Draw a cube. How many square faces does it have?

2. How many edges does a cube have?

3. How many vertices does a cube have?

4. Name a real object shaped like a cube. Explain using its faces.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
