

WORKSHEET OUTPOST | Grade 1 Math

Draw a fair-sharing model

OW-G1-139 | Five questions

Success criteria
I can divide a shape into equal parts and name each share.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Two friends share one sandwich equally. Draw the sandwich and show each share.

2. Four friends share one round pizza equally. Draw and label the shares.

3. Jo cuts a rectangle into one large piece and one small piece. Are these halves? Explain.

4. Draw two same-size rectangles. Split one into halves and one into fourths. Circle the larger single share.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
