

WORKSHEET OUTPOST | Grade 1 Math

Extra practice: fourths of rectangles

OW-G1-145 | Five questions

Success criteria
I can divide a shape into equal parts and name each share.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Shade 1 of the 4 equal parts. Name the shaded share.

2. How many equal parts make up the whole?

3. Shade one part. How many parts stay unshaded?

4. Shade every part. Did you shade a whole?

5. Draw a star in one part. Is that part a half or a fourth?

You can point, speak, draw, or write. Adults can note any help they give.
