

WORKSHEET OUTPOST | Kindergarten Math

Find the missing part of ten

Success criteria
I can find two numbers that add up to ten.

OW-K-107 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 10 = ___ + 3. Show how you know.

2. 10 = ___ + 4. Show how you know.

3. 10 = ___ + 5. Show how you know.

4. 10 = ___ + 6. Show how you know.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
