

WORKSHEET OUTPOST | Grade 2 Math

Adjust an addend to make adding easier

OW-G2-003 | Five questions

Success criteria
I can use tens and ones to add or subtract within 100.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 36 + 18 = ___. Use a nearby ten, then adjust.

2. 45 + 29 = ___. Use a nearby ten, then adjust.

3. 54 + 30 = ___. Use a nearby ten, then adjust.

4. 66 + 22 = ___. Use a nearby ten, then adjust.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
