

WORKSHEET OUTPOST | Grade 2 Math

Minutes before or past an hour

OW-G2-110 | Five questions

Success criteria
I can read the clock and tell how many minutes before or after the hour it is.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write 10 minutes before 4:00 and 10 minutes after 4:00.

2. Write 20 minutes before 5:00 and 20 minutes after 5:00.

3. Write 30 minutes before 6:00 and 30 minutes after 6:00.

4. Write 40 minutes before 7:00 and 40 minutes after 7:00.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
