

WORKSHEET OUTPOST | Grade 2 Math

Compare hundreds, tens, and ones

OW-G2-068 | Five questions

Success criteria
I can compare three-digit numbers using hundreds, tens, and ones.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Compare 255 and 235. Write >, <, or =. Explain using place value.

2. Compare 377 and 417. Write >, <, or =. Explain using place value.

3. Compare 428 and 421. Write >, <, or =. Explain using place value.

4. Compare 603 and 603. Write >, <, or =. Explain using place value.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
