

WORKSHEET OUTPOST | Kindergarten Math

Numeral practice: four and five

OW-K-069 | Five questions

Success criteria
I can write the number and show a group that matches it.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write 4. Draw 4 circles.

2. Write 5. Draw 5 circles.

3. Write 4. Draw 4 circles.

4. Write 5. Draw 5 circles.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
