

WORKSHEET OUTPOST | Kindergarten Math

Writing zero

OW-K-083 | Five questions

Success criteria

I can write the number and show a group that matches it.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write 0. Draw an empty plate.

2. Write the number for no apples.

3. Draw a box with zero dots inside.

4. Read: 0, 1, 2. Circle the number that means none.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
