

WORKSHEET OUTPOST | Kindergarten Math

Pairs that total ten

Success criteria
I can find two numbers that add up to ten.

OW-K-104 | Five questions

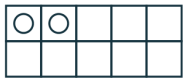

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

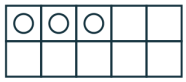

1. Make 10: 1 + ___ = 10. Use the ten-frame.

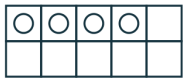

2. Make 10: 2 + ___ = 10. Use the ten-frame.

3. Make 10: 3 + ___ = 10. Use the ten-frame.

4. Make 10: 4 + ___ = 10. Use the ten-frame.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
