

WORKSHEET OUTPOST | Kindergarten Math

Four-sided shapes

OW-K-148 | Five questions

Success criteria

I can name a shape even when it is turned or a different size.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Name this shape. Count its sides. A square is a special rectangle.

2. Name this shape. Count its sides. A square is a special rectangle.

3. Name this shape. Count its sides. A square is a special rectangle.

4. Name this shape. Count its sides. A square is a special rectangle.

5. Draw a shape like one on this page. Name it and describe one thing you notice about it.

You can point, speak, draw, or write. Adults can note any help they give.
