

**WORKSHEET OUTPOST | Kindergarten Math**

# Extra practice: make and write 10

OW-K-052 | Five questions

**Success criteria**
I can write the number that shows how many objects I counted.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write 10. Draw 10 dots in the frame.

2. Write 10. Draw 10 dots in the frame.

3. Write 10. Draw 10 dots in the frame.

4. Write 10. Draw 10 dots in the frame.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
