OW-K-001 E1 | Five questions

Success criteria
I can join two groups and find how many there are in all.

Name: _____ Date: _____

Listen as an adult reads each question. Use counters or draw a picture to solve it.

1. The parts are 1 and 1. Draw both groups. How many are there altogether?

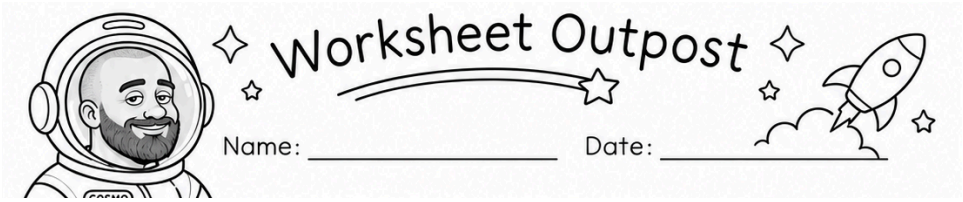

2. The parts are 2 and 2. Draw both groups. How many are there altogether?

3. The parts are 3 and 1. Draw both groups. How many are there altogether?

4. The parts are 4 and 2. Draw both groups. How many are there altogether?

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
