

WORKSHEET OUTPOST | Kindergarten Math — Supported

Extra practice: name the attribute

Success criteria
I can describe an object using words about its size or weight.

OW-K-115 E1 | Five questions

Name: _____ Date: _____

Listen as an adult reads each question. Use counters or draw a picture to solve it.

1. You want to know which ribbon is longer. What will you measure?

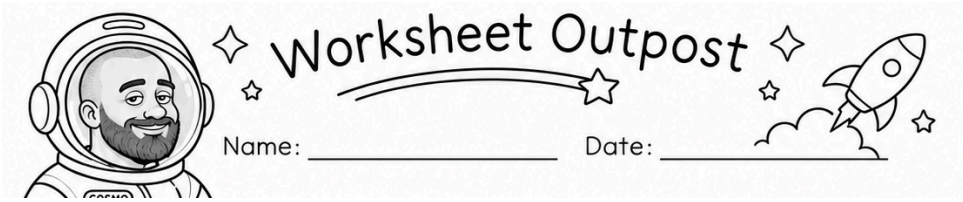

2. You want to know which box is heavier. What will you compare?

3. You want to know which jug holds more water. What will you compare?

4. You want to know which tower is taller. What will you measure?

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
