

WORKSHEET OUTPOST | Grade 1 Math

Getting ready: Numeral practice 0 to 4

OW-G1-101 | Five questions

Success criteria
I can write the number and show a group that matches it.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Trace each dotted number. Then write it two more times on the guidelines.

2. Trace each dotted number. Then write it two more times on the guidelines.

3. Trace each dotted number. Then write it two more times on the guidelines.

4. Trace each dotted number. Then write it two more times on the guidelines.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
