

WORKSHEET OUTPOST | Grade 1 Math

Find a missing addend

OW-G1-077 | Five questions

Success criteria

I can use an addition fact to find a missing number in subtraction.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Complete 3 + ___ = 5. Use that fact to solve 5 - 3.

2. Complete 4 + ___ = 5. Use that fact to solve 5 - 4.

3. Complete 5 + ___ = 8. Use that fact to solve 8 - 5.

4. Complete 6 + ___ = 8. Use that fact to solve 8 - 6.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
