

WORKSHEET OUTPOST | Grade 1 Math

Small-number story practice

OW-G1-089 | Five questions

Success criteria

I can choose addition or subtraction to solve a story problem.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 3 children are playing. Then 2 more join them. How many children are playing now?

2. 5 children are playing. One child leaves. How many children are still playing? Write an equation.

3. 5 children are playing. Then 3 more join them. How many children are playing now?

4. 8 children are playing. 2 children leave. How many children are still playing? Write an equation.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
