

WORKSHEET OUTPOST | Grade 1 Math

Fill an empty number box

Success criteria
I can find the number that makes an equation true.

OW-G1-076 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. ___ + 2 = 5. Find the unknown and check.

2. 5 - ___ = 4. Find the unknown and check.

3. ___ - 3 = 5. Find the unknown and check.

4. 6 + ___ = 8. Find the unknown and check.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
