

WORKSHEET OUTPOST | Grade 1 Math

Choose a comparison sign

Success criteria
I can compare two numbers by looking at their place values.

OW-G1-115 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. 34 ___ 43. Write >, <, or =. Read the statement aloud.

2. 57 ___ 52. Write >, <, or =. Read the statement aloud.

3. 62 ___ 62. Write >, <, or =. Read the statement aloud.

4. 85 ___ 79. Write >, <, or =. Read the statement aloud.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
