

WORKSHEET OUTPOST | Grade 1 Math

Share a shape fairly

OW-G1-158 | Five questions

Success criteria

I can divide a shape into equal parts and name each share.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Are these equal shares? Explain how you know.

2. Are these equal shares? Explain how you know.

3. Are these equal shares? Explain how you know.

4. Are these equal shares? Explain how you know.

5. Draw a shape like one on this page. Name it and describe one thing you notice about it.

You can point, speak, draw, or write. Adults can note any help they give.
