

WORKSHEET OUTPOST | Grade 1 Math

Extra practice: ten more or ten less

Success criteria
I can find ten more or ten less and explain which digit changes.

OW-G1-125 | Five questions

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Write ten less and ten more than 25.

2. Write ten less and ten more than 38.

3. Write ten less and ten more than 41.

4. Write ten less and ten more than 54.

5. Write ten less and ten more than 67.

You can point, speak, draw, or write. Adults can note any help they give.
