

WORKSHEET OUTPOST | Grade 1 Math — Supported

Explain a two-digit comparison

OW-G1-117 E1 | Five questions

Success criteria
I can compare two numbers by looking at their place values.

Name: _____ Date: _____

Listen as an adult reads each question. Use counters or draw a picture to solve it.

1. Jo says 34 is greater than 43. Use tens and ones to decide if Jo is correct.

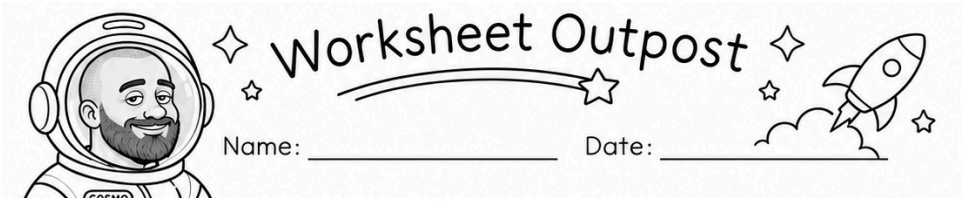

2. Jo says 57 is greater than 52. Use tens and ones to decide if Jo is correct.

3. Jo says 62 is greater than 62. Use tens and ones to decide if Jo is correct.

4. Jo says 85 is greater than 79. Use tens and ones to decide if Jo is correct.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.

Explain a two-digit comparison

OW-G1-117 E4 | Five questions

Success criteria
I can compare two numbers by looking at their place values.

Name: _____ Date: _____

Ask an adult to show you how to start. Then finish the problem together.

1. Jo says 34 is greater than 43. Use tens and ones to decide if Jo is correct.

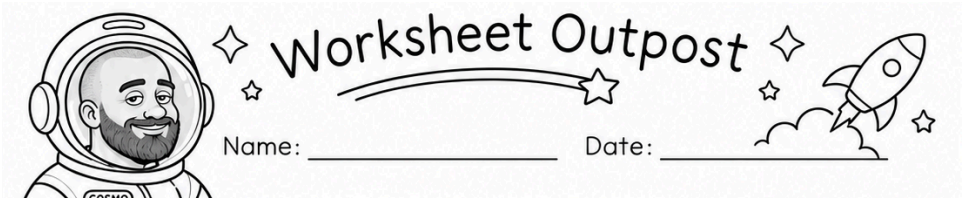

2. Jo says 57 is greater than 52. Use tens and ones to decide if Jo is correct.

3. Jo says 62 is greater than 62. Use tens and ones to decide if Jo is correct.

4. Jo says 85 is greater than 79. Use tens and ones to decide if Jo is correct.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.

WORKSHEET OUTPOST | Grade 1 Math — Supported

Explain a two-digit comparison

OW-G1-117 E5 | Five questions

Success criteria
I can compare two numbers by looking at their place values.

Name: _____ Date: _____

Try each problem. Tell an adult how you solved it. The adult can write down your answers.

1. Jo says 34 is greater than 43. Use tens and ones to decide if Jo is correct.

2. Jo says 57 is greater than 52. Use tens and ones to decide if Jo is correct.

3. Jo says 62 is greater than 62. Use tens and ones to decide if Jo is correct.

4. Jo says 85 is greater than 79. Use tens and ones to decide if Jo is correct.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
